Dear Esteemed Members of Government College Jaithari,

As the Adhyaksh of the Janbhagidari Samiti of Government College Jaithari, District Anuppur, Madhya Pradesh, it gives me immense pleasure to present this foreword to our comprehensive College Policy. Since our institution's establishment in 2012, we have been on a journey of growth, learning, and community engagement. This policy document marks another significant milestone in our college's development.

The Janbhagidari Samiti, or Public Participation Committee, plays a crucial role in bridging the gap between the college and the community. Our committee's vision aligns perfectly with the college's mission to provide quality education while fostering a sense of social responsibility among our students.

This College Policy is a testament to our collective efforts to create an institution that not only excels in academics but also prepares students to be responsible citizens. It encompasses various aspects of college life, from academic standards to community outreach programs, reflecting our commitment to holistic education.

I urge all stakeholders - students, faculty, staff, and community members - to embrace this policy wholeheartedly. It is through your active participation and adherence to these guidelines that we can truly realize the potential of our institution.

As we move forward, let us remember that the strength of our college lies in the spirit of 'Janbhagidari' - public participation. This policy is not just a document, but a shared vision for our college's future. Together, we can build an educational institution that serves as a beacon of knowledge and social progress in our region.

I look forward to your continued support and cooperation in implementing this policy and in furthering the growth of Government College Jaithari.

Sincerely,

**Mr. Ashok Kumar Rathour

Forward

Dear Students, Faculty, and Staff,

As the Principal of Government College Jaithari, District Anuppur, Madhya Pradesh, it is my privilege to present our comprehensive College Policy. This document serves as a cornerstone for our institution, outlining our vision, mission, and the guiding principles that shape our academic environment.

Our college policy is designed to foster an atmosphere of academic excellence, personal growth, and social responsibility. It reflects our commitment to providing quality education while nurturing the diverse talents of our students. The policy encompasses various aspects of college life, including academic standards, code of conduct, extracurricular activities, and community engagement.

I encourage all members of our college community to familiarize themselves with this policy. It is not merely a set of rules, but a roadmap for our collective success. By adhering to these guidelines, we create a harmonious and productive learning environment that benefits everyone.

As we move forward, let us embrace these policies with enthusiasm and dedication. Together, we can build a college that not only imparts knowledge but also shapes responsible citizens who will contribute positively to society.

I look forward to working with all of you in upholding the high standards set forth in this policy and in continually striving for excellence in all our endeavors.

Sincerely,

Dr. Ramesh Singh Wate

Energy Conservation Policy

1. Objective:

The objective of this policy is to reduce energy consumption and promote the efficient use of resources within the institution. This policy aims to contribute to environmental sustainability and reduce energy costs.

2. Scope:

This policy applies to all members of the institution, including students, faculty, staff, and visitors.

3. Energy Efficiency:

Building Design: Where possible, the institution will incorporate energy-efficient design in new buildings and renovations. This includes natural lighting, efficient HVAC systems, and insulation.

Equipment and Appliances: The institution will prioritize the purchase of energy-efficient equipment and appliances. All equipment and appliances should be used in an energy-efficient manner.

Lighting: The institution will use energy-efficient lighting. Lights should be turned off when not in use.

4. Renewable Energy:

The institution will explore opportunities for using renewable energy sources, such as solar or wind power, where feasible.

5. Education and Training:

The institution will provide education and training on energy conservation to all members of the institution. This includes information on how to use equipment efficiently and the importance of turning off lights and equipment when not in use.

6. Monitoring and Review:

The institution will regularly monitor energy usage and review the effectiveness of energy conservation measures. This includes regular energy audits.

7. Compliance:

All members of the institution are expected to comply with this policy. Non-compliance may result in appropriate action.
