NATIONAL SERVICE SCHEME

Vision and Mission

Introduction

The National Service Scheme (NSS) unit at Govt. College Jaithari aims to instill a sense of social responsibility, leadership, and volunteerism among students, thereby fostering their overall development and empowering them to contribute positively to society.

Vision:

- ❖ To nurture compassionate, responsible, and active citizens who are committed to the betterment of society through voluntary service.
- ❖ To promote a culture of social responsibility and community engagement among students, faculty, and the larger community.
- ❖ To create a platform for students to develop and hone their leadership, communication, and problem-solving skills through real-life experiences.

Mission:

- ❖ To provide opportunities for students to participate in community service activities, addressing pressing social issues, and contributing to the upliftment of the underprivileged and marginalized sections of society.
- ❖ To foster collaboration with local communities, non-governmental organizations, and government agencies to facilitate impactful social initiatives and sustainable development.
- ❖ To inculcate values of empathy, unity, and social justice among students and encourage them to actively engage in the process of nation-building.
- ❖ To facilitate capacity-building and skill development among students, enabling them to become change-makers and leaders in their respective fields.

Programme Officers:

- Mr. Rajkumar Singh (Male Unit) - As the Programme Officer for the Male Unit, Mr. Singh leads and coordinates all NSS activities for male students. He plays a vital role in designing, planning, and implementing various projects and initiatives, while ensuring that the vision and mission of the NSS are upheld.
- Ms. Sangeeta Uikey (Female Unit) - Ms. Uikey serves as the Programme Officer for the Female Unit and is responsible for guiding and supporting female students in their community service endeavors. She closely works with the students to identify opportunities for social impact, design relevant projects, and drive participation in various NSS activities.
